Workshops

DATE: Thursday/October 21, 2010 and
Friday/October 22, 2010

TIME: 6:45AM-8:15AM and
6:45AM-8:00AM

FEE: \$95 per workshop

Workshop Chair: Ivan S. Cohen, MD

This year the workshops are back and are better than ever. We have selected some of the most popular workshops from previous years and matched them with an outstanding faculty. Attendees will have the opportunity for in-depth participation, exploration and discussion of these topics. Each workshop is 90 minutes, except for the FTP Educators workshop on Friday which is 75 minutes. **The workshop will be taught at the level in which it is designated.**

Workshops are open to physicians and interested surgical assistants and office staff, however, these workshops are taught at the physician-level.

Registration is required and will be confirmed on a first-come, first-served basis. As a member-benefit, only ISHRS members and member applicants may advance register for these workshops. Non-members may purchase tickets onsite, pending availability. The faculty listed are preliminary as of the date of the printing of this program. Directors and faculty are subject to change without prior notification to registrants, and will not be considered reasons for refund requests.
